## PARKING TIPS

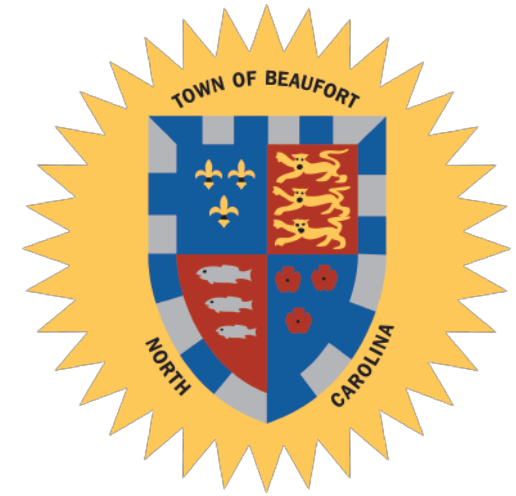

Here are five helpful tips to avoid a parking ticket!

### Avoid the Ticket!

1. Do not park longer than four hours for parking spaces 80-120, 146-217 and 265-269. Even if the space is paid, you will be ticketed if parked in the same space longer than four hours.
2. Park in spaces 1-79, spaces 121-145, spaces 218-264, or spaces 270-999 if parking long term. You do not have to move your vehicle every four hours.
3. Download the PayByPhone Parking app to pay by phone. You get text or email reminders when your parking is about to expire!
4. Keep a change roll in your glovebox. If parking for a few minutes, don't risk it! Drop a quarter in the meter.
5. Buy a Season Parking Pass if parking every day!

### Personal Safety:

1. Always lock your car doors.
2. Do not leave valuables in view inside the car.
3. Do not store an extra key under the car/fender/etc.
4. At night, park in a well traveled and well-lit area.
